1) Terms and Conditions. MacKenzie & Marr Guitars Inc. warrants solely to the original purchaser of this MacKenzie & Marr acoustic guitar that the instrument purchased shall be free from defects in materials and workmanship under normal use for as long as the instrument is owned by the original purchaser, and until the ownership of the instrument is transferred to another (unless otherwise noted by MacKenzie & Marr Guitars Inc.). This Limited Warranty does not apply: (a) to wear or breakage of frets or strings, or other normal wear and tear of the instrument or its parts; (b) to asserted defects caused by modification, misuse or abuse or improper maintenance of the instrument; (c) to asserted defects involving subjective personal likes or judgements; (d) to asserted defects caused by accident or exposure to extremes of temperature or humidity which cause harm to the instrument; (e) to defects asserted by any purchaser who did not purchase the instrument directly from MacKenzie & Marr Guitars Inc. or an authorized MacKenzie & Marr dealer in the United States of America or Canada.

2) Limitation on Obligations. The obligations of MacKenzie & Marr hereunder are limited to repair or replacement of parts of the instrument found to be defective under this Limited Warranty. In no event shall MacKenzie & Marr be liable for any indirect, incidental or consequential damages, including but not limited to time, wages or lost profits, of any nature or kind or for damages to or loss of property.

MacKenzie & Marr shall review the description of the asserted defect, examine the instrument, and make service, repairs and replacements as appropriate under this Limited Warranty. Upon completion of the service, the instrument shall be returned by MacKenzie & Marr Guitars Inc. to the original purchaser, shipping and insurance to be paid by the purchaser. In the event it is determined that the asserted defect is not covered by or is excluded from this Limited Warranty, the instrument shall be returned without repairs or replacement, shipping and insurance to be paid by the purchaser.

5) Legal Remedies. Depending upon the province in which you reside, you may have additional legal remedies available under the applicable federal or provincial Consumer Protection Acts.

Important Care Instructions Your guitar is constructed from carefully selected, dried and seasoned solid wood. Solid wood will absorb moisture in wet climates and give off moisture in dry climates. If you live in a dry, mountain, or cold winter region, you will experience dry weather from time to time which could crack your guitar. If not taken care of properly, your guitar will crack. This damage is very serious and is not covered by this limited warranty, but can easily be prevented by storing your guitar in an environment of at least 45% relative humidity. The best way to do this is to use a full-room humidifier. For temporary situations such as travel store the guitar in its case and use a sound hole humidifier.
